

Thank You for Supporting People's Community Clinic

Dear Friends:

We want to thank you for your generosity in supporting the People's Community Clinic (PCC) during our holiday donation drive. We support the People's Community Clinic because it is a critical provider of affordable health care to over 10,000 of our uninsured and low-income neighbors in Austin.

As you may remember, Noelke English Maples St. Leger Blair pledged to match funds for all donations made up to \$5,000. We are pleased to announce that with your contributions and our matching funds, we raised a total of \$5,472 for PCC this year, eight percent more than last year.

Thanks to all who participated with us in supporting the community and Happy New Year!

Lea C. Noelke

About People's Community Clinic

The mission of People's Community Clinic (PCC) is to improve the health of uninsured and underinsured Central Texans by providing high quality, affordable health care. As a comprehensive, family-centered medical home for 11,000 low-income patients from throughout the community, PCC's array of services cover a patient's lifetime, and include prenatal and pediatric care. To learn more, visit austinpcc.org.
