## People's Community Clinic Fundraiser

December 1, 2009

Dear Friends:

In keeping with our holiday tradition, Noelke English Maples St. Leger is once again offering to match year-end charitable gifts to **People's Community Clinic**, to help our low-income neighbors.

We support People's Community Clinic (PCC) because it is a critical provider of affordable health care to over 11,000 of our uninsured and "working poor" neighbors in Austin. For the sixth year in a row, we hope to raise at least \$10,000 for PCC during the holiday season — a goal that friends and associates have helped us exceed in some years.

This year we are raising funds to support PCC's childhood immunization program. This critical service protects our entire community against the spread of diseases like whooping cough – which recently has made resurgence in Central Texas.

As a fundraising challenge, Noelke English Maples St. Leger is pledging up to \$5,000 in matching funds for all donations made through us to PCC by Dec. 31. The NEMS matching funds mean that twice as many neighbors in need will benefit from your tax-deductible gift.

To participate: Please send your contribution, payable to People's Community Clinic, to our office. We will match checks received by Dec. 31 and deliver the funds raised to PCC. Your firm will receive a letter of gratitude and acknowledgement from PCC.

We warmly thank you for considering PCC – and for gifts to them already made.

Happy Holidays,

Lea Noelke

Patricia English

Keith Maples

Andi St. Leger

## About People's Community Clinic

Immunizations are a cornerstone of PCC's preventive care programs. A 2009 audit showed that PCC has an excellent **98% completion rate** for children's immunizations. To learn more, visit:
